Addendum # 1
to the
Bolinas Fire Protection District's
Request for Proposals (RFP)
Firehouse / Medical Clinic Facilities
Photovoltaic Generation System

The Bolinas Fire Protection District (BFPD) issues this Addendum #1 modifying the original RFP issued on December 11, 2007, as set forth below:

1. The 3rd sentence of paragraph 7a on page 7 is hereby modified to read as follows:

   "Proposals shall be printed on 8½ by 11-inch paper, using recycled paper if available."

2. The last line of Section 10, Schedule, on page 12 is hereby modified to read as follows:

   "System commissioning September 12, 2008"

3. Section 1.15, page 46, is hereby modified to add the following caption above the existing text:

   "CHANGE ORDER"

4. RFP Attachment E – Site Details is hereby replaced by an updated drawing, dated 1/7/2008, accompanying this addendum.

5. A photograph of the site plan from the BFPD Firehouse construction drawings is hereby added to the RFP and accompanies this addendum.

This Addendum #1 shall not create any legal rights or responsibilities. All other terms of the RFP shall remain the same.
